ONTARIO CONVENTION CENTER

2024 Director's Welcome Letter

Dear Quilters,

In my family for over 20 years, January means one thing, Road. I know for a lot of you, your trip to Road has been in the plans for years, delayed by the pandemic, travel, budgets, and so on. We are so excited to finally welcome you to the Ontario Convention Center, and to experience Road!

For many of you, this is your first time back at Road since our 2020 show. Road, like all shows, have made major changes as a result of the pandemic. In the specific case of Road, most of these changes are positive changes that will result in a better experience for you.

As a show promoter, since Covid we have seen some major shifts in vendors. Many chose to retire, or stop traveling to shows. Customers ask me "where's xyz?" We've worked hard to curate a diverse selection of vendors to bring you the best shopping experience possible covering all the best quilting products. For shows like Road to continue to offer the best experience possible, it's important for our customers to support our vendors - not only during the show, but throughout the year. For 2024 we have 32 new vendors for you shop from! Over 59% of our vendors are new over the past 3 shows.

We have OVER 1,100 quilts hanging in the show with 14 exhibits, and our international Road to California Quilt Contest. We have many educational opportunities for you to drop in, celebrate and learn about quilting. Make sure to check out our all new evening lectures featuring Gudrun Erla on Wednesday evening and Jen Kingwell on Friday evening - we have plenty of space for you to register now for an unforgettable evening.

My staff and I are striving to make sure you have the best possible experience at Road. Enjoy the show and I hope to see you at the show!
