What DO you do with all those leftover scraps? Crumb quilts are the ultimate scrap fabric projects! Crumb piecing is one of those things that is as individual as every quilter out there. This is no one set way to use “crumbs” – the tiniest amounts of scraps (strips, squares, trimmed triangles, funky sizes, etc.) that you have – the one you usually throw away because you don’t know what to do with them! This is FUN, and stress free!
