## Fusible Woven Interfacing

I will bring interfacing for the class participants to purchase. The commercially available interfacing has proven to be disappointing.

**Sewing Machine** - bring your machine to class, but do not set it up until it is called for.

## Classroom Store

I will have available for purchase in the classroom a few of the supplies necessary for class: interfacing, bias tape, Roxanne Glue Baste It and a few basic notions. Some of these items may be difficult to find at your local shops because their use may not have "caught-on" in all locales.

If you have any questions before class, please feel free to email me: [brenda@bearpawproductions.com](mailto:brenda@bearpawproductions.com)
