

Sister's Choice

Class Supply List

Queen size Quilt:

Quilt can be made any size you want it, just make more 10" blocks!

The objective in this workshop is for students to learn the basics, and the fun and freedom of scrap piecing!

Students will bring scraps and 2.5" strips to share with others in the class so that everyone has a variety of fabrics to play with.

Please come with a variety of lights (backgrounds) And darks to play with! You may choose 1 accent color for the star points. In the quilt above, I chose many greens for the star points, with each block having the same fabric in all 8 points. Star points may be whatever color you wish, even a scrappy mix!

If you have time before the class, please come with scraps or FQ's already cut into 2.5" strips.

The directions for the quilt are found at <http://quiltville.com/sisterschoicepf.html> and it is helpful if you take the time to read through them before class starts. Please print out your own set of instructions to help us keep printing costs to the guild at a minimum! Be aware of anyone in the class who does not have a printer or internet access, and maybe think about an extra copy just in case :c)

Block Size: 10"

In addition to your fabric you will need the basics:

- Print out the class instructions found at <http://quiltville.com/sisterschoicepf.html>
- Sewing machine in working order (including power cords and extension cords)
- Thread, scissors, seam ripper, pins and any other notions you usually sew with.
- Rotary cutter, mat and ruler.
- Wooden seam presser, unless individual irons are approved for your venue. Please don't overload the breakers and blow the fuses!
- 1 fine point pencil
