

SUPPLY LIST FOR: 6001 – Run For Color!

Finished Size: 63 1/4" x 82 3/4"

Block Size: 7 3/4" x 7 3/4"

To achieve the awesome color effect for this quilt I used many different prints. I enjoy working from my stash, pulling in prints as I go. This is all a lot of fun – that is until I write the pattern and attempt to explain fabric requirements! With that in mind, the list below definitely has excess of certain colors (mainly gold). So, you can choose to cut individual rectangles for each color way from your stash or purchase the number of fat quarters listed in Materials below.
