

SUPPLY LIST FOR: 6005 – Mommy & Me! (A Mother-Daughter Pet Shop Design Workshop)

Note: You will be working on the project as partners, so the following equipment may be shared.

Sewing machine (in good working order)
Rotary cutter and mat
Linear Acrylic Ruler
Fabric scissors
Iron and small board (Some are supplied in the classroom)
Extension cord
Straight pins
Thread for machine (neutral or off-white) for piecing squares
Machine thread spools in colors for machine or hand appliqué
Extra bobbins
Seam ripper (just in case!)
18" by 30" (minimum) cardboard or other "Design Board"

Note: if pre-ordering a Kit, (\$25 includes PRECUT squares, notions, fusible web, ribbon, rhinestone eyes etc. It does not include batting or backing.) You will still need your own spools of thread for hand or machine appliqué: For Moe the Mouser: black, light pink, bright pink, yellowish green
(Don't fret about the exact shade. It actually works better if the thread differs somewhat for machine appliqué to show detailing & outlining.)
