

SUPPLY LIST FOR: 7013 – 4 Patch Puzzle

Sewing Machine

Rotary Cutter

Rotary Mat (the 12 x 12 rotating mat is perfect for this, but any small mat will work)

Ruler (6 1/2" x 12")

Basic Sewing Supplies

Fabric:

Come to the workshop with fabric rectangles already cut 7 1/2" X 10 1/2".

For the workshop I suggest 32 rectangles, preferably scrappy (meaning LOTS of different fabrics)

16 of the rectangles should be "dark" and 16 should be "medium or light" . . . if you prefer you can choose two different colors, 16 of each. (Example: blue and green . . . 16 blues, 16 greens)

NOTE: We'll be making finished 6 X 9 inch blocks. Each rectangle of fabric represents 1-block, so 32 rectangles are enough for 32 blocks. While this is more than enough for our 3 hour workshop, if you ultimately wish to make your quilt larger than this you certainly can bring more fabric.
